TALON Grips Retailers,

A new grip purchasing program will go into effect April 1, 2016.

In an effort to make TALON Grips available to our retailers we are instituting a quarterly program where you can order any grip in our catalog in increments of 12. It is similar to a preseason ordering program without the long lead time. There will be a 2 week order period when you can submit your orders. The ship window will be 2-6 weeks after, depending on demand. Below are the details of the new program.

All Grips Are Available Via Our Quarterly Special Purchase Grip Program

1. Must order grips in 12 unit increments.
2. Special order gun grips are \$11.99 each/\$143.88 per 12 pack.
3. Extended magazine grips are \$1.31 each /\$15.72 per 12 pack.
4. Extended magazine grips will be packaged in bulk envelopes with a UPC on the front.
5. Grips will be packaged the way we regularly package your product.

Dates to Remember
